

# ST. JOHN'S CHRISTIAN PRESCHOOL

Dear Prospective Parents;

Thank you for your interest in St. John's Christian Preschool! We are a Christian based school that offers a play-based program with a project focus. What this means is that our goal is to create a fun and interactive environment in which our students can learn and thrive!

We offer a 3 day program for students ages 2 to 5 and also a 5 day program for students ages 3 to 5.

If you are interested in registering your child for the 2024-2025 school year, please complete the attached form along with the \$80 registration fee. This will reserve the space. To finalize your child's place, you will need to submit the May 2025 tuition in advance. This will be due no later than May 3, 2024 (doing this means that May 2025 you will not need to make a tuition payment).

If you have any questions at all, please do not hesitate to contact us.

We look forward to having you as part of our St. John's community,

Margaret Jackson

Preschool Director
